

THE LEAGUE OF WOMEN VOTERS OF SCARSDALE

Are you interested in . . .

- discussing and taking action on important issues affecting our community, including school and village budgets, the environment, affordable housing, campaign finance and ethics in government,
- joining with your neighbors and public officials to effect positive change in our schools and our village,
- educating youth in the political process,
- having your voice heard at all levels of government?

*These are just a few of the many reasons to join the
League of Women Voters of Scarsdale.*

The League is a nonpartisan, political organization. Becoming a member in the League provides you the opportunity not only to be a more informed and engaged voter, but also to meet and work with members of the community of different backgrounds, neighborhoods and ages and to hone your skills in a thoughtful, collegial environment. What's more, when you join the Scarsdale League, you automatically become a member of the Westchester County League of Women Voters, the New York State League of Women Voters, and the League of Women Voters of the U.S.

During the upcoming year, the work of the League will include:

- voter services, including voter registration and hosting a candidates' forum for candidates in the upcoming elections for U.S. Congress and state offices;
- study of the 2015-16 Village and School budgets;
- study of the Village and School Board election systems;
- study of proposed changes to the Village's Historic Preservation Code;
- engaging students in learning about government and the political process through Presidential Pursuit, a take-off of the game "Trivial Pursuit," in the Scarsdale Middle School, and sponsoring two Scarsdale High School students to attend the Students Inside Albany conference in Albany.

Be a part of a widely respected organization dedicated since its founding in 1921 to the ideals of the democratic process. Democracy is not a spectator sport!

Join the League and make a difference.
